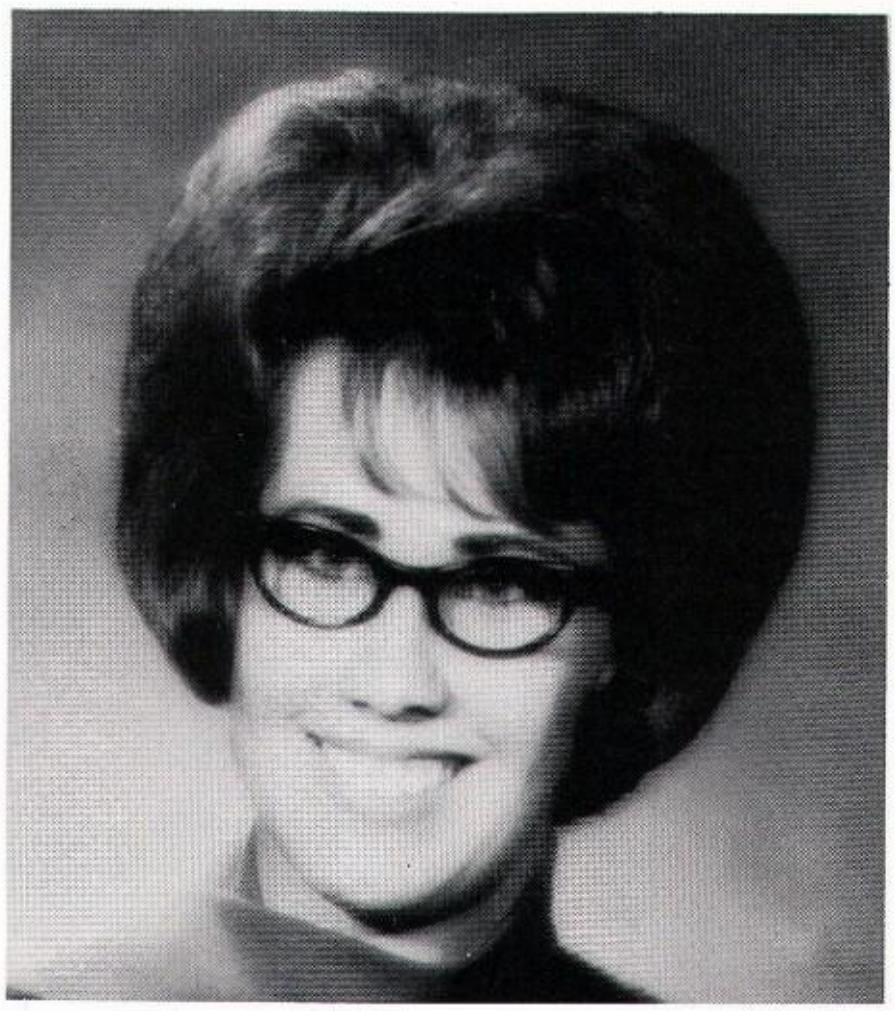
DEDICATION

We, the Annual Staff of Knox City High School, wish to dedicate the 1965 Greyhound to the Knox City High School Faculty. These members of the faculty have influenced our lives in many ways. When we have faced difficult problems, they have helped us to cope with these problems. As the school year ends, we wish to show our appreciation to you for your guidance.



It is truly an honor and a pleasure to give you this 1965 "GREYHOUND" to complete another successful year at Knox City High School.

I would like to say a special "thanks" to the entire Annual Staff for their never-ceasing effort. Also, I would like to thank the Administration, Faculty, Advertisers, and Student Body for their wonderful co-operation.

We hope, that as you go through life, you may be able to turn through this yearbook and smile as each page reveals a different and cherished memory--sometimes even a forgotten one.

HIGH SCHOOL PRINCIPAL

As your principal, may I extend to each student, teacher, and employee, my sincere thanks for an outstanding school year.

The pleasant moments of the 1964-65 school year will be recalled each time one opens this yearbook. There will be memories of students seeking to master the curriculum, of literary and athletic competition, and of the satisfaction of achieving goals.

May I wish each of you the best of everything in the future.

Harold D. Bankston

ELEMENTARY PRINCIPAL

In the past years the glow of pride and respect for your school, teachers, parents, and friends reflects your wholesome lives. You have continually relighted within yourselves silent little flames of improvement which make your success more meaningful. The joy of studying and learning has heightened your tower of knowledge, and this, too, will radiate to you in beams of happiness.

Our wishes are that "your candle" may light the paths of many because you caught the glow in our dear school.

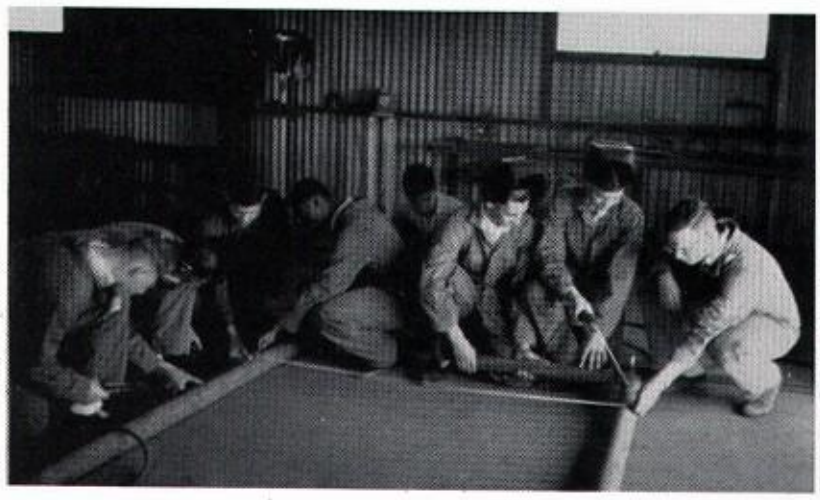
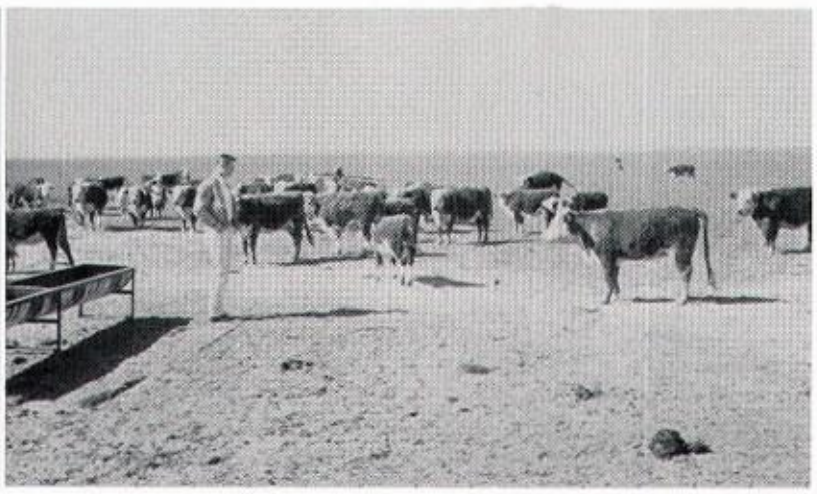
FFA PROJECTS

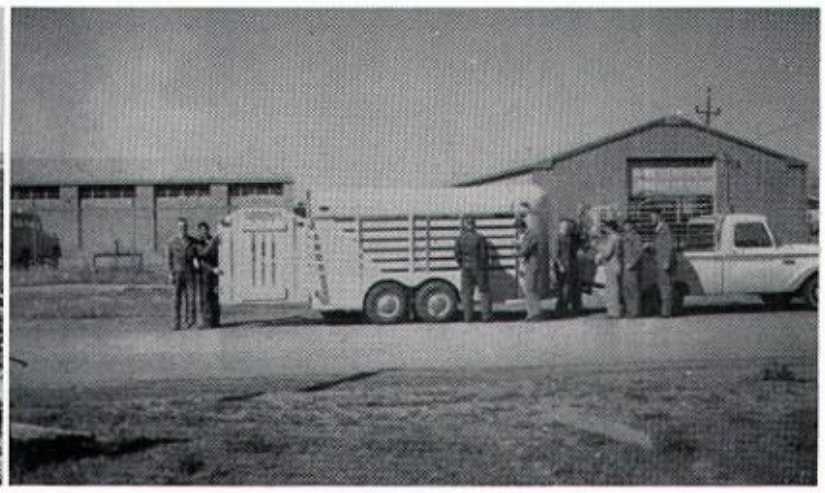


Plan your work, then work your plans; this is part of our Vo. Ag. Shop Work.



Bill Cornett looks over a group of his Hereford Cattle. This has been his project in Vo. Ag. He has shown several champions this year.

"Learning to do by doing" is our Motto. This group of boys is learning to use the surveying instrument.



This equipment is used to haul our livestock to market, and to stock shows. Pick-up furnished by Lankford Motors.

Jerry Myers enjoys showing champions. Jerry has had several honors in showing swine as his Vo. Ag. Project.

Greypups Defeat Munday, 22-14

Knox City's Junior High "Mighty Fourteen" defeated Munday's Junior High team Tuesday night 22-14.

Munday made the first score early in the first quarter and led 8-0 and promptly recovered a KC fumble to regain possession of the ball on the 50. Three plays later, Greypup back Ronald Curd intercepted a pass and carried the ball back to Munday's 30. Two plays later, Curd went over for the TD and then ran the extra points and the game was tied 8-8 at halftime.

Melvin Clay made the 'Pups second score of the evening early in the third quarter and Ronald Curd carried the ball for extra points and the Pups led 16-8.

In the last quarter both Munday and Knox City scored, with Curd again carrying the ball for the Pups, and the game ended Knox 22, and Munday 14.

This was the Pups first win of the season, having been defeated by Crowell and Paducah.
